

Thomas M. McDermott, Jr.
Mayor

CITY OF HAMMOND

Executive Order 12-20

City of Hammond's Adoption of an American with Disabilities Act
Transition and Implementation Plan

Whereas, In an effort to improve accessibility for its citizens and visitors to the community, the City of Hammond, under the direction of Mayor Thomas McDermott, Jr. commissioned the 2012 ADA Transition and Implementation Plan;

Whereas, the plan is an update to the City of Hammond's ADA Study completed in March, 1994. As part of the original 1994 study, the City assessed 13 buildings including the exterior accessible route(s) and parking, interior accessible route(s), signage, and public amenities such as drinking fountains and restrooms; and

Whereas, having identified physical barriers to accessibility the project team worked with the Transition and Implementation Plan Steering Committee to develop a plan of action for making improvements to increase accessibility.

Therefore, by Executive Order, the 2012 ADA Transition and Implementation Plan attached with this Executive Order is here by adopted and implemented by the City of Hammond; and

This Executive Order shall supersede any previously established ordinance, handbook or policy of the City of Hammond.

This Executive Order shall go into effect on December 30, 2012.

SO ORDERED this 19th day of December, 2012
